

1

On Chrome or Firefox, visit your
CHM 112: General Chemistry II Section: 011
page on the campus Canvas website

2

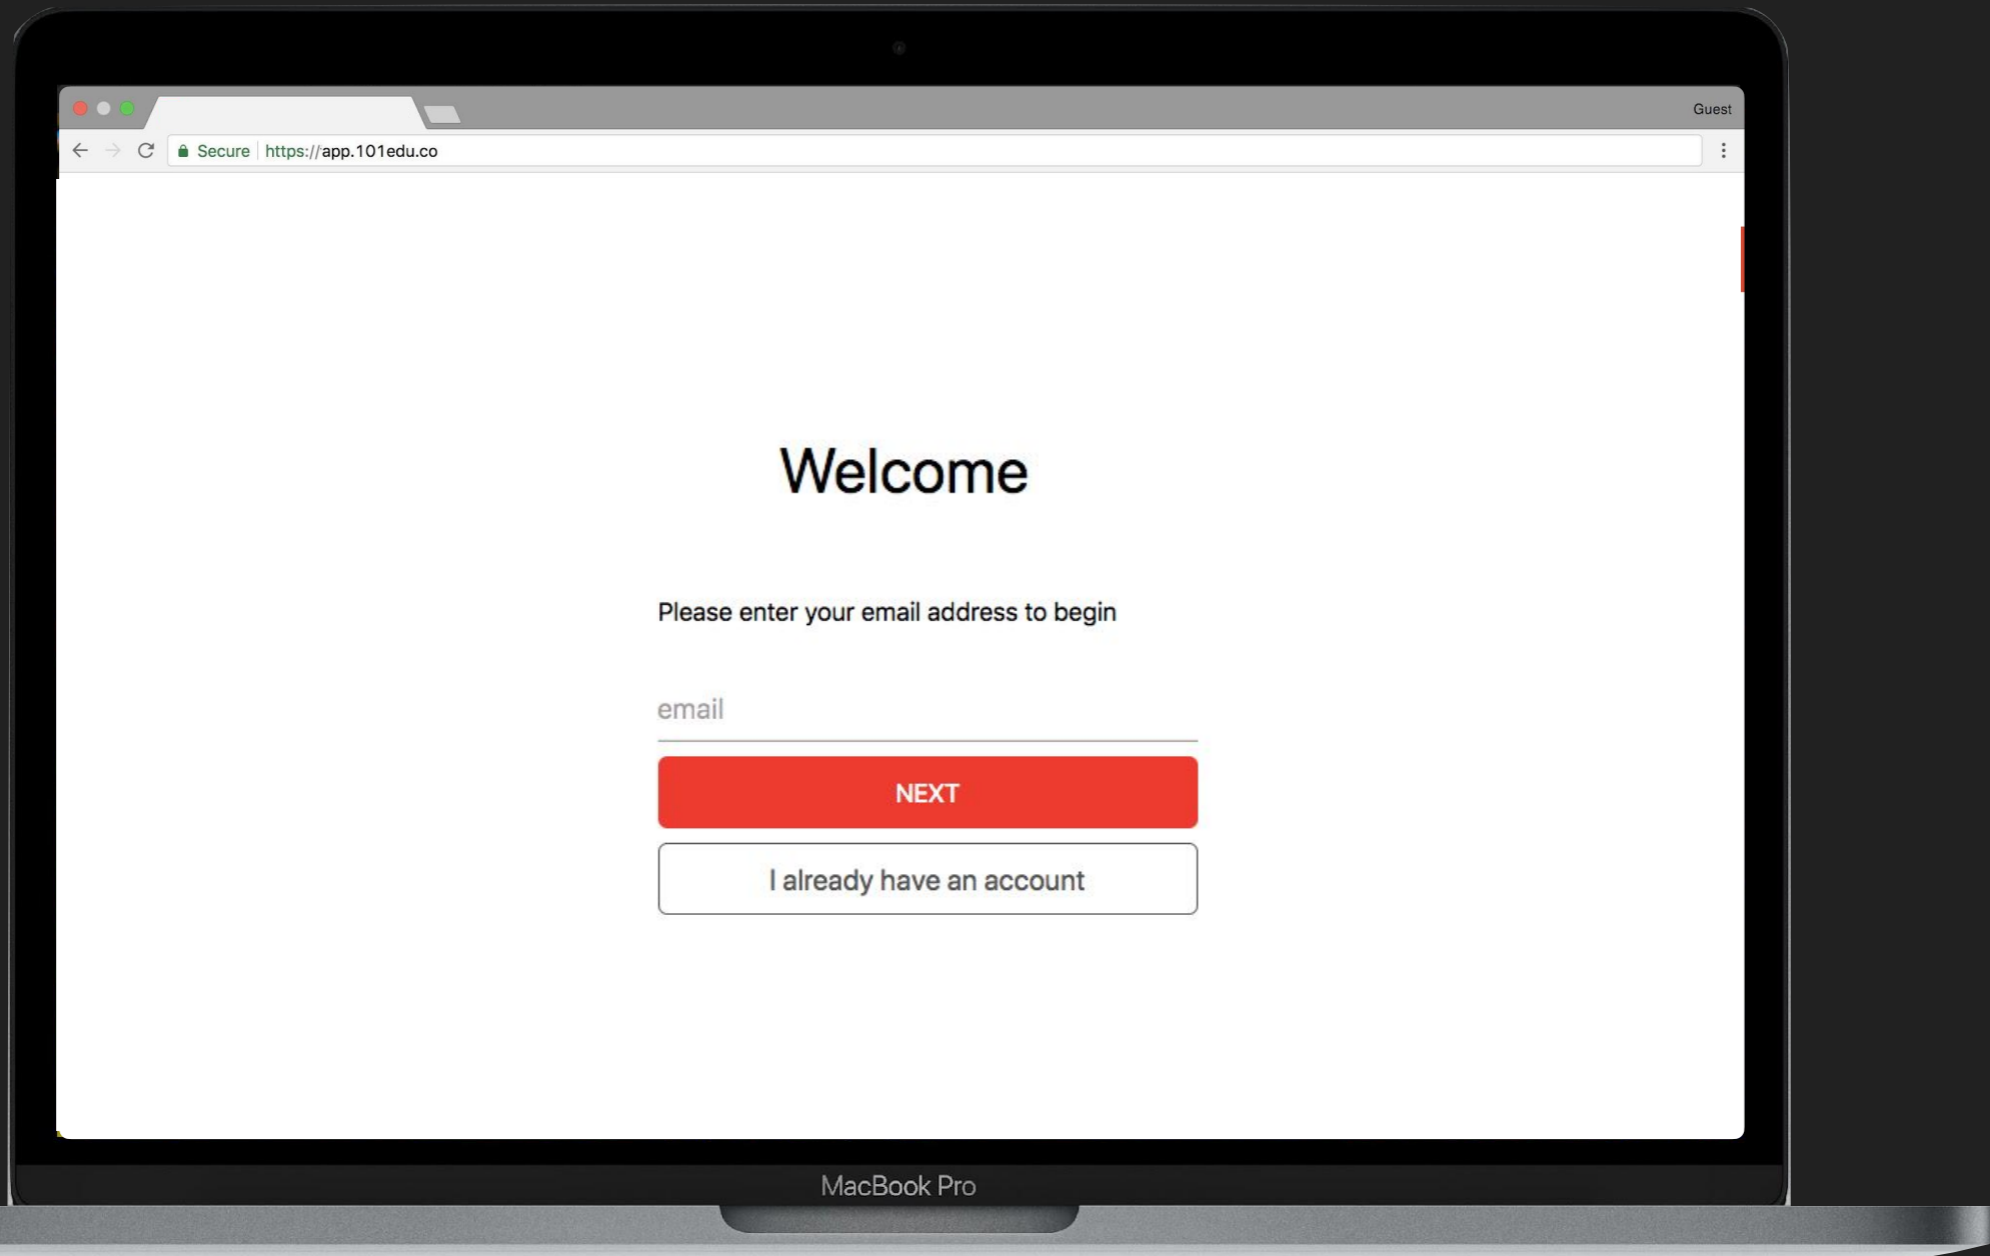

Click on the Aktiv link under the Aktiv Chemistry Module of the course

The screenshot displays a course management system interface for 'CHM 112. > Modules'. The left sidebar contains navigation options: Account, Dashboard, Courses, Calendar, Inbox, and History. The main content area shows a list of modules under the heading '2023-SP-MCN-00'. The 'Aktiv Chemistry' module is expanded, and the 'Aktiv' link is highlighted with a red box. The interface also includes a search bar, 'Student View' button, and 'Collapse All', 'View Progress', and '+ Module' buttons.

Then click the link for Aktiv Chemistry to launch the platform in a new tab and register for the course

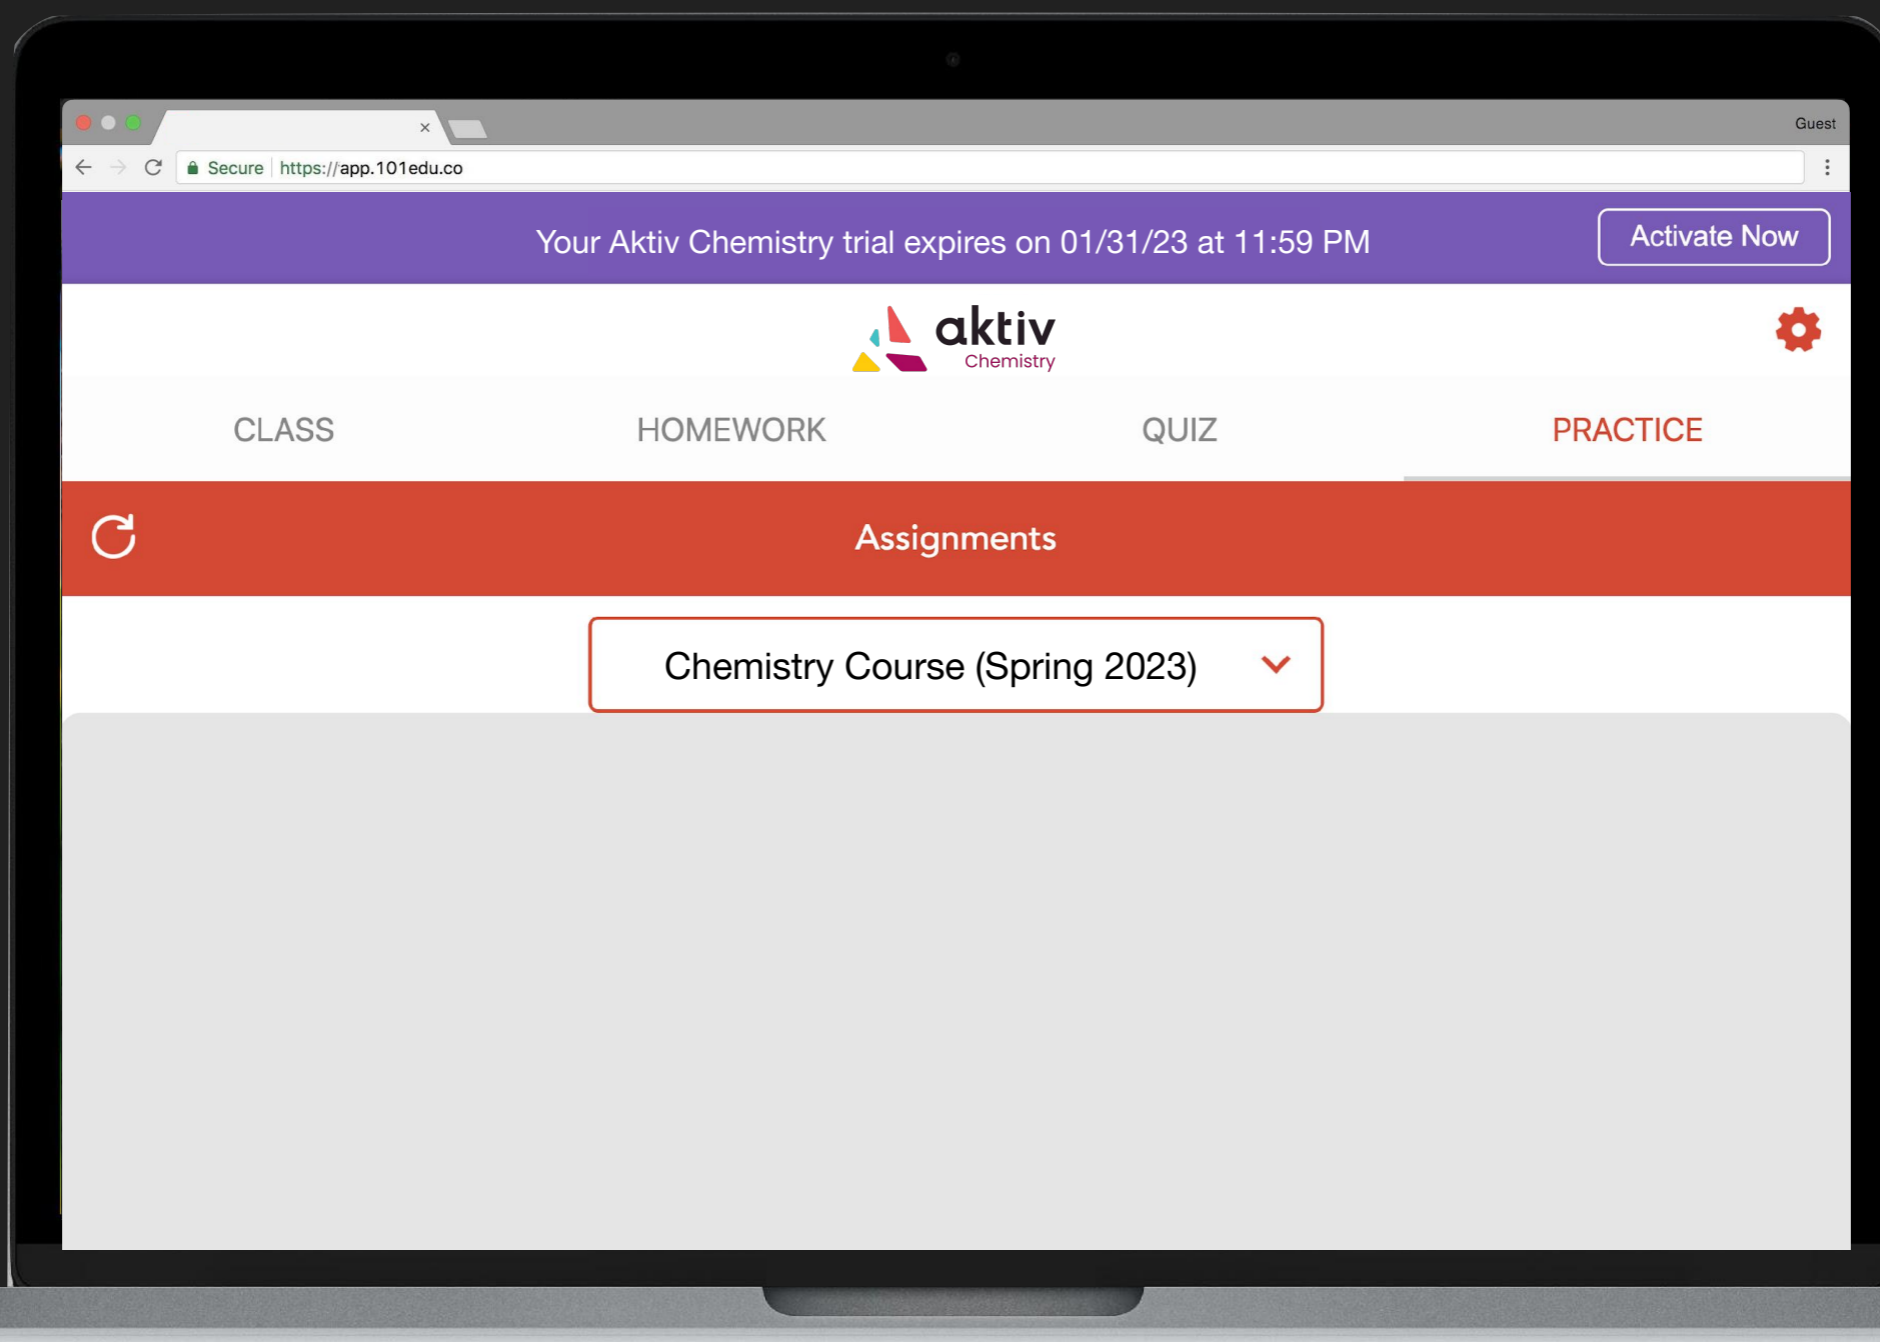

3

Create a student account by following the sign up instructions or login with an existing account

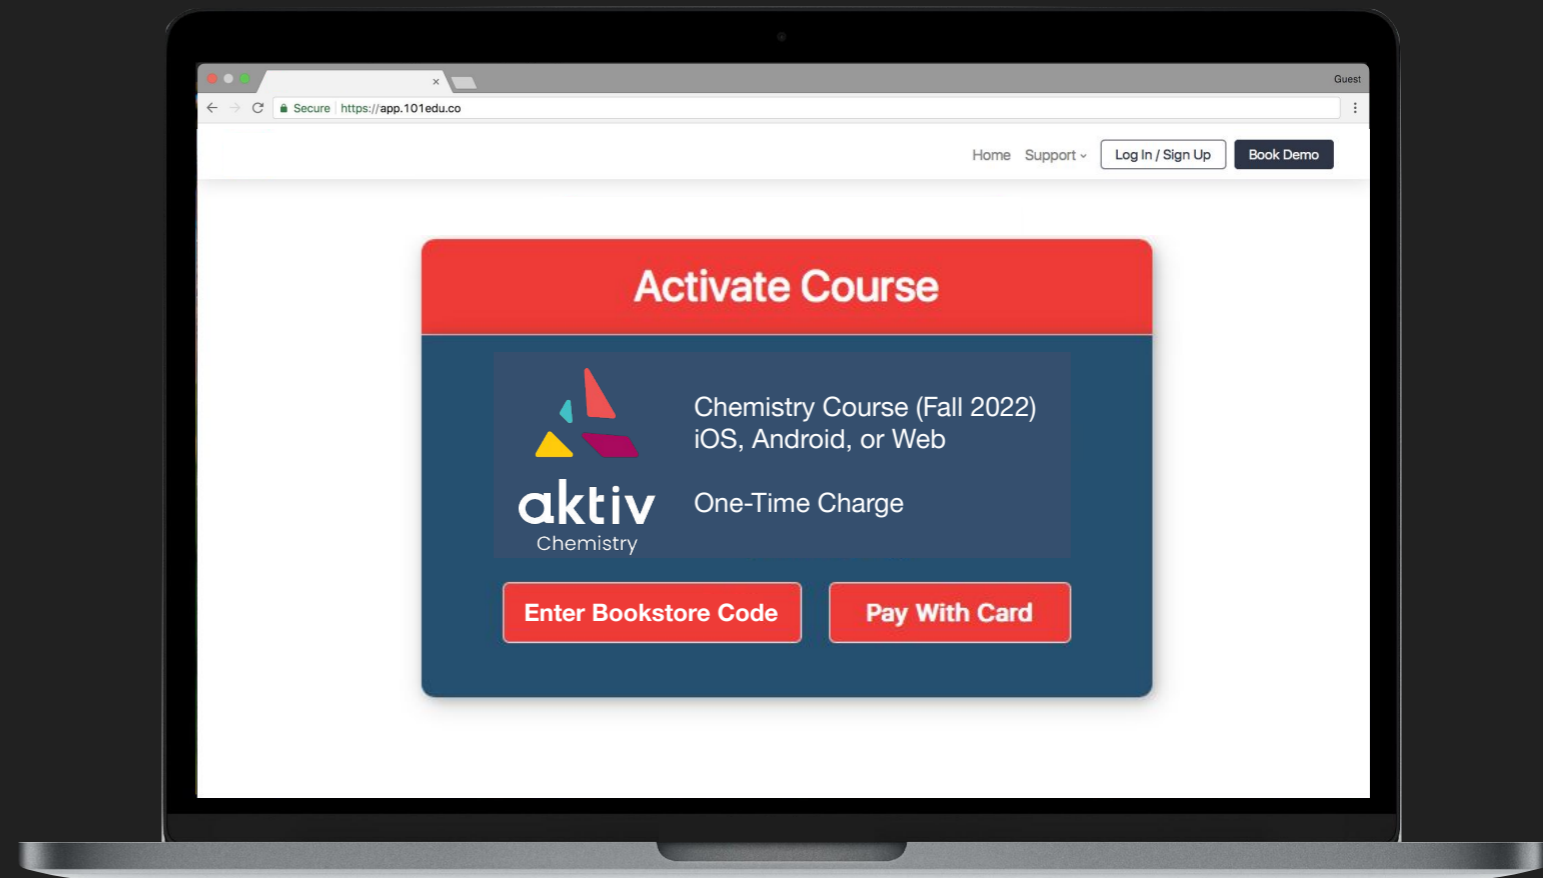

4

Each Aktiv Chemistry course has a payment grace period. When you are ready to activate your course, select **Activate Now**
